Sir,

I have come across information that the FCC is considering loosening or doing away with completely regulations that limit the numbers of newspapers, television and radio outlets that one company can own.

I think that large corporations already monopolize most of the media. And with further deregulation, there will be less unbiased reporting of news and information.

I thank you for your consideration  
of this letter.

Sincerely,  
Carl Aberg

I am opposed to any plan to  
loosen current ownership restrictions, & urge  
you to tighten current standards & restrict  
the growth of the 'Media Monopoly' in this  
Country. I don't need the 'Monopoly' to  
tell me what to read, see & think.

Dear Mike:

We as Americans need to have access to information in order to be better informed citizens. It is in our best interest to not allow a media monopoly for the super national corporations who have off-shore operations and don't pay their share of the taxes.

Let's allow many people from all walks of life - diversity - to access the media.

Just say "NO" to the Media Monopoly.

Dear Chairman Michael K. Powell;

May the grace of our Lord Christ Jesus be with you and yours. AMEN!

While I have a VERY strong protest against what is said to be relaxing the rules/regulations on media ownership, I also have a couple other subjects I would like to express to you.

Having always admired and held your father in great respect, now it appears he has fallen in-line with the chick-hawks and the so-called party-line to attack Iraq. Many are now refering to him as; Colon Bowel, and or Uncle Tom Colin Powell. I try to defend him, but it has become difficult, for he himself has opened the door to verbal attacks and shows no sign of being the once great and proud man, soldier and Christian he once was prior to joining the Bush administration.

In 1996 I began CAAD, Christians Against Alcohol & Drugs, for the school aged children. And in my talks with them I would refer to your father as a man to be admired and looked up to, now... i find it hard to speak about a man that is willing to send our servicemen and women off to die for Israel, Oil, and as revenge for old man Bush. AND in the process kill many innocent humnas... in Iraq, that have suffered many years because the US wants Iraq to bow. AND should we attack Iraq, there is a great chance that here in America, we will know terrorism... but then many believe this (is) what Bush, Dumsfeld, Cheney, Perle, Wolfowitz, Rice) want/need to place We, The People under Stalinism.

As for the relaxing of rules on media ownership, this move would amount to what those in Russia, etc. know. For it is a fact that already most big newspepers, CNN, FOX NEWS, CBS, etc. are already but puppets of the government and Israel.

And under the Republican agenda, which approve of the Holocaust of American babies in the name of abortion. Since 1973 when the Supreme Court ruled in favor of Ho. v. Layed, around 34 MILLION alive but unborn babies have been tortured them murdered, so that this administration can bring in more and more illegal criminal immigrants to further suck up the tax dollars of We, The People.

Many refer to G. W. Bush as Benidict Arnold Bush or BAB's.

Thus I pray whatever decision you and others come to that you will think of We, The People... first. Thank you.
